Calumet 1971 is divided into two parts. Part I contains all the events of the year, Part II, the people. Part I's first section is **ACADEMICS**, a new addition to the yearbook. **ACADEMICS** is concerned with the subject departments, their innovations and new course offerings. **CAMPUS ORGANIZATIONS** chronicles the clubs, and other student groups. **SPORTS** is sports, and more sports. **STUDENTS LIFE** is a report on campus activities and life at CHS.

PART II

People are the emphasis in Part II. **FACULTY AND ADMINISTRATION** is the first section with the principals and counselors preceeding an alphabetized faculty and staff. The important element of a school follows next — the students. Nearly twenty-five hundred students attended CHS in 1971, headed by the **CLASS of 1971**, and the succeeding **CLASS of 1972**, and the **CLASS of 1973**.

Calumet 1971 is a pictorial history of the school term 1970-1971. We of the staff do not present a theme this year, nor do we interpret the year or project a mood on to it. But with honesty we have recorded the events as they came, and the people who made them happen.

Students Knowledge for Use in Everyday Experiences

The following is an interview with Mr. Crocker about the new experimental eleventh grade U.S. History program.

Q: Mr. Crocker, what is the new history program?

A: It is an experimental version of the eleventh grade U.S. History course. There are four teachers involved, including myself, and 450 students. During the first quarter all fifteen sections in the program had an overview of the entire history of the U.S. For the remaining three quarters, each student was able to choose segment of our history for each quarter and study it in depth. My own particular area of interest is the Civil War, so I teach the segment running from about 1820 to about 1975. There are many segments to select from.

Q: What advantages so you see in this new approach?

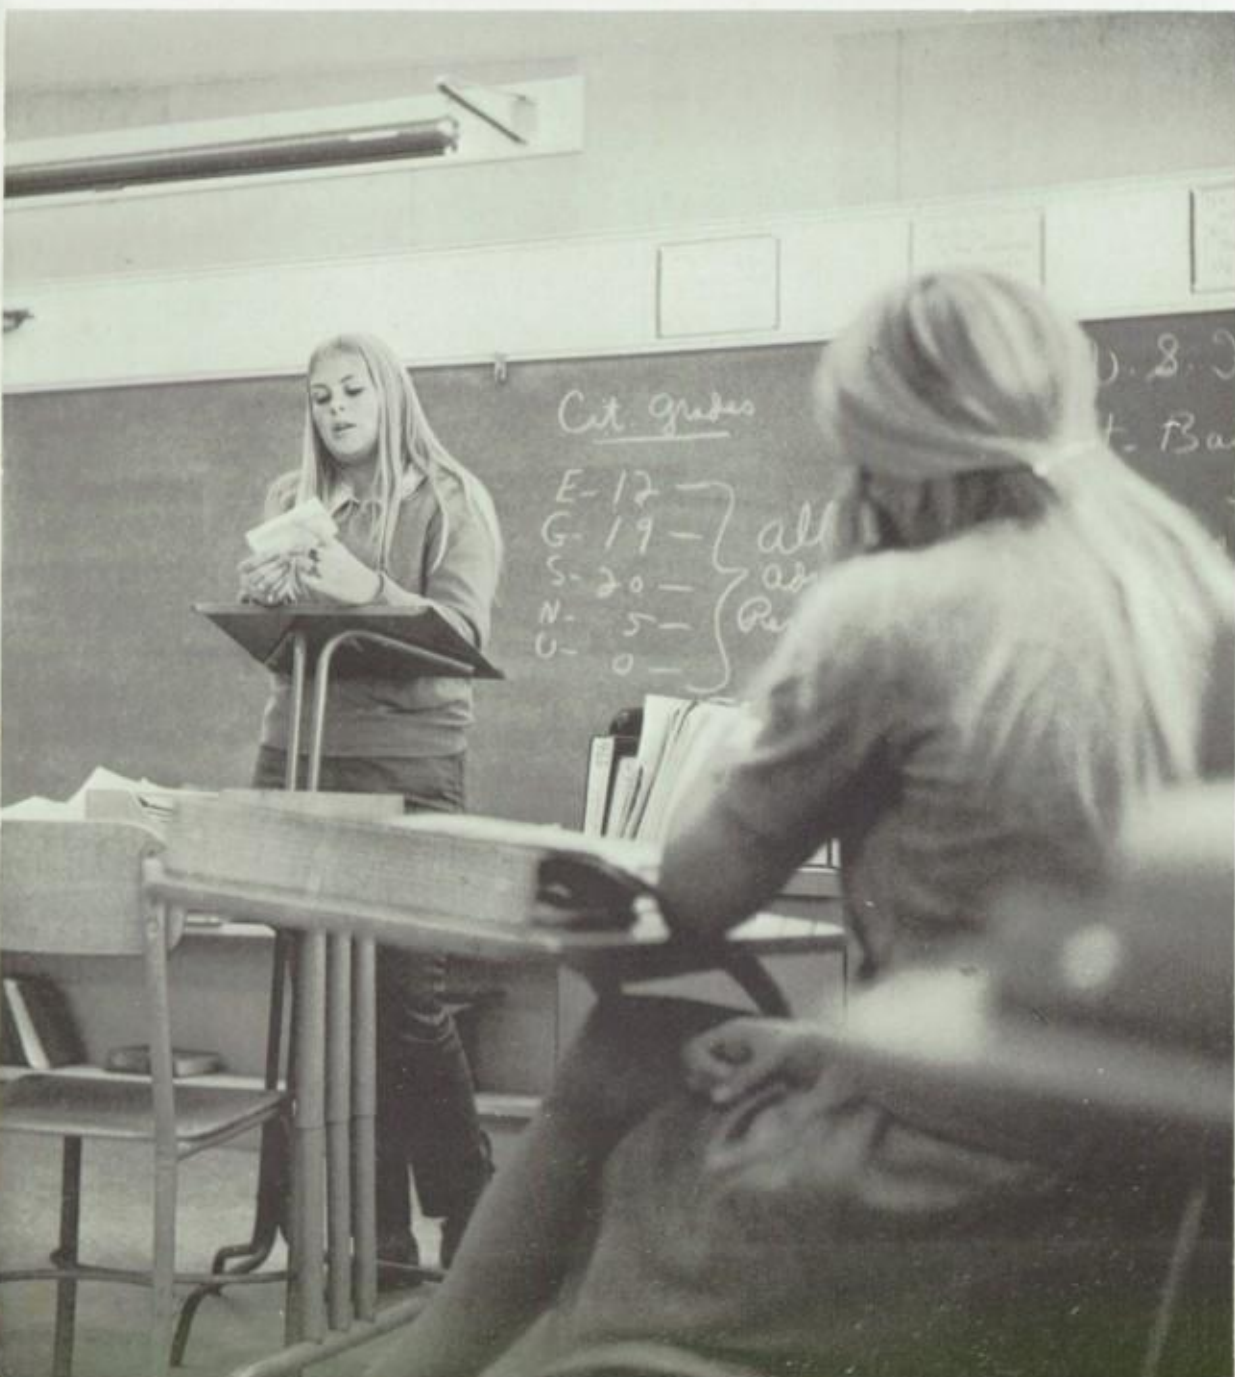

A: We have had fewer failures—about one or two where we usually would have around five. Also, we have enough time to study each topic in depth. The student knows that if he does poorly one quarter he will have a new topic (and a new teacher) the next quarter.

Q: Have you had any problems?

A: Yes. There has been a lot more work for the teachers simply because the program is new. We also lose about the first week in each quarter in shakedown—like the first week of school each fall in regular classes. An additional problem this year was that few students were given a choice about being in the program but we hope this will be corrected next year.

Q: What reactions have you had to the new program?

A: All the teachers involved would like it to continue. In fact, we are considering expansion to the junior high level with a similar program for eighth grade U.S. History. You know, we like to change too, but it is still important that something be learned—that there be goals, and that things are accomplished.

Right: Second semester legislature convenes.

A new type of student government marked the advances of the ASB at Clairemont High this year. Last year's student body approved a new constitution which eliminated the traditional method of selecting representatives out of fourth period classes and initiated a legislature comprised of fifty members elected by popular vote. The legislature was headed by president Keith Sloane and a body of officers. The legislature represented all three grade levels and served for semester terms. During the second semester elections another development in student government arose—a political party. The "People's Party" ran several candidates for the legislature successfully. Complete with a political platform, and effective advertisement, the "People's Party" was Clairemont's first organized political party.

A.S.B. activities mixed the traditional with the unique. There was the annual A.S.B. Ball, Homecoming, and SDASC conferences. But, mingled in were numerous lunch-time rock concerts; which began with the benefit for the Laguna Mountain fire disaster. For this donation, Clairemont received a plaque and a plantation of trees dedicated in Clairemont's name. A special concert was given by recording-artist Mason Williams. Two concerts held on December 18th, by the guitarist raised \$1,400.00 for the Pala Indian Cultural Center Fund.

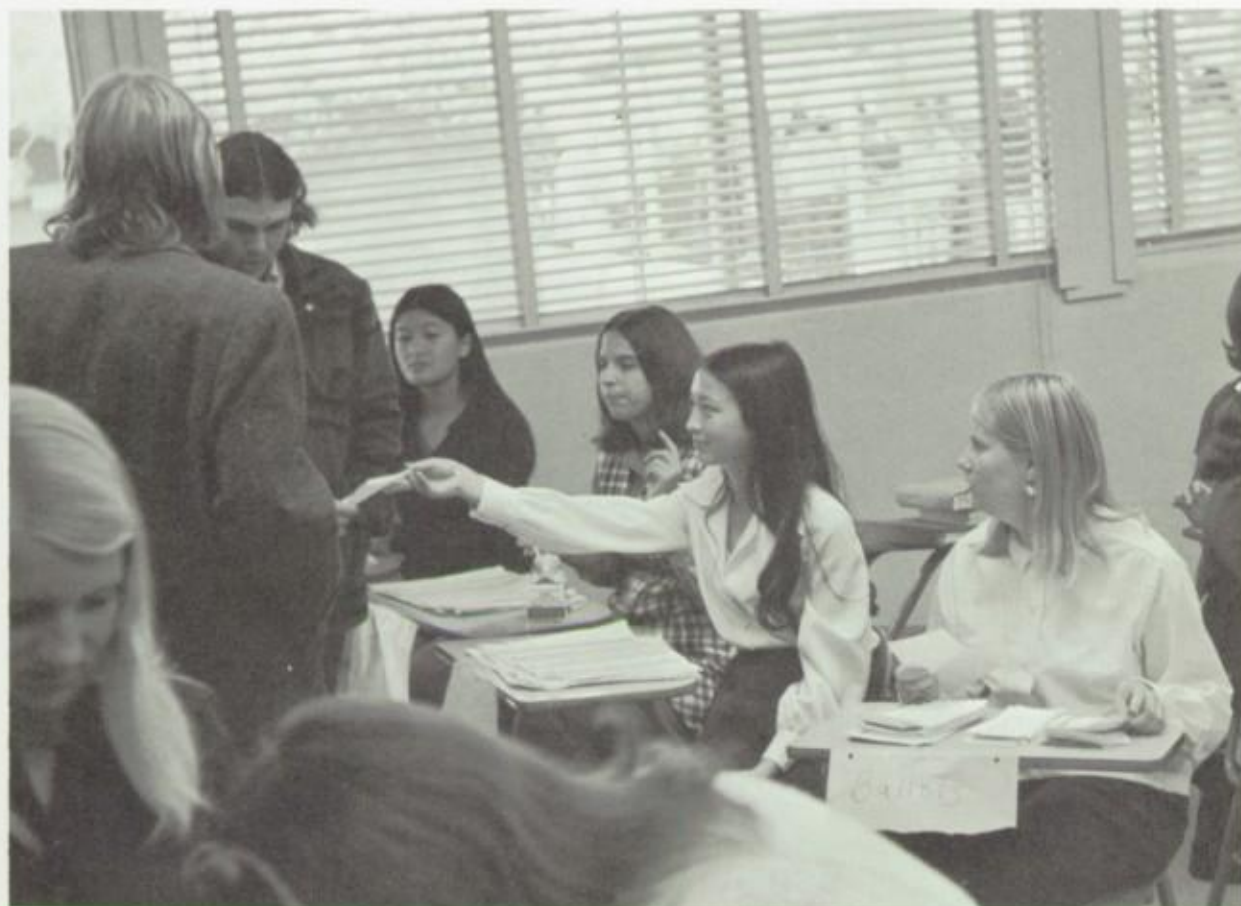

"We were the testing ground... I think it's time we start standing for our rights and needs. We have one foot in the door, now we must step in."

Tandas Serve Clairemont High and the

Thirty-five active girls are the members of Clairemont's girls' service organization-the Tandas. Tanda is an Indian word meaning friendship. The club colors are green and yellow signifying warmth and the earth. Tandas began their service projects before school opened starting with registration and sophomore orientation. Tandas made packages for the Vietnam Gift Pack, stuffed envelopes with Christmas Seals, frosted cakes of coins for the March of Dimes, helped Easter Seals, and gave a picnic for children of prisoner of war families. This year Tandas sponsored Spirit Week.

Madrigals, the Concert Choir, Girl's Ensemble, and the Mixed Chorus comprised the Choral Department. Each vocal group met as a class once a day under the directorship of Mr. John Gilliland. There, in room 502 the rudiments of voice and music were studied along with the rehearsals for upcoming shows. The groups were distinct; each one had its own style. The Mixed Chorus was the testing ground for new singers. The Girl's Ensemble and the Choir sang a variety of songs at festivals and prominent places in San Diego besides school. The Madrigals, whose repertoire ranged from Bach to Bacharach performed over fifty times this year.

Violins and Brass are the Trademarks of

Clairemont High's orchestra was comprised of talented, young musicians. During the year, the orchestra played at music festivals and in the music department's concerts. In December, the orchestra joined with the concert choir to conclude the Christmas Program with a half-hour work-Antonio Vivaldi's "Gloria". They received a standing ovation. The orchestra was under the conduction of Mr. Ritchie.

A change of clothes transformed the Marching Band into the Concert Band for in-door musical activities. But the fast-pace of the band and the spirit of their music remained throughout the spring.

SPORTS

High-hoped Chieftains Couldn't

Get It All Together

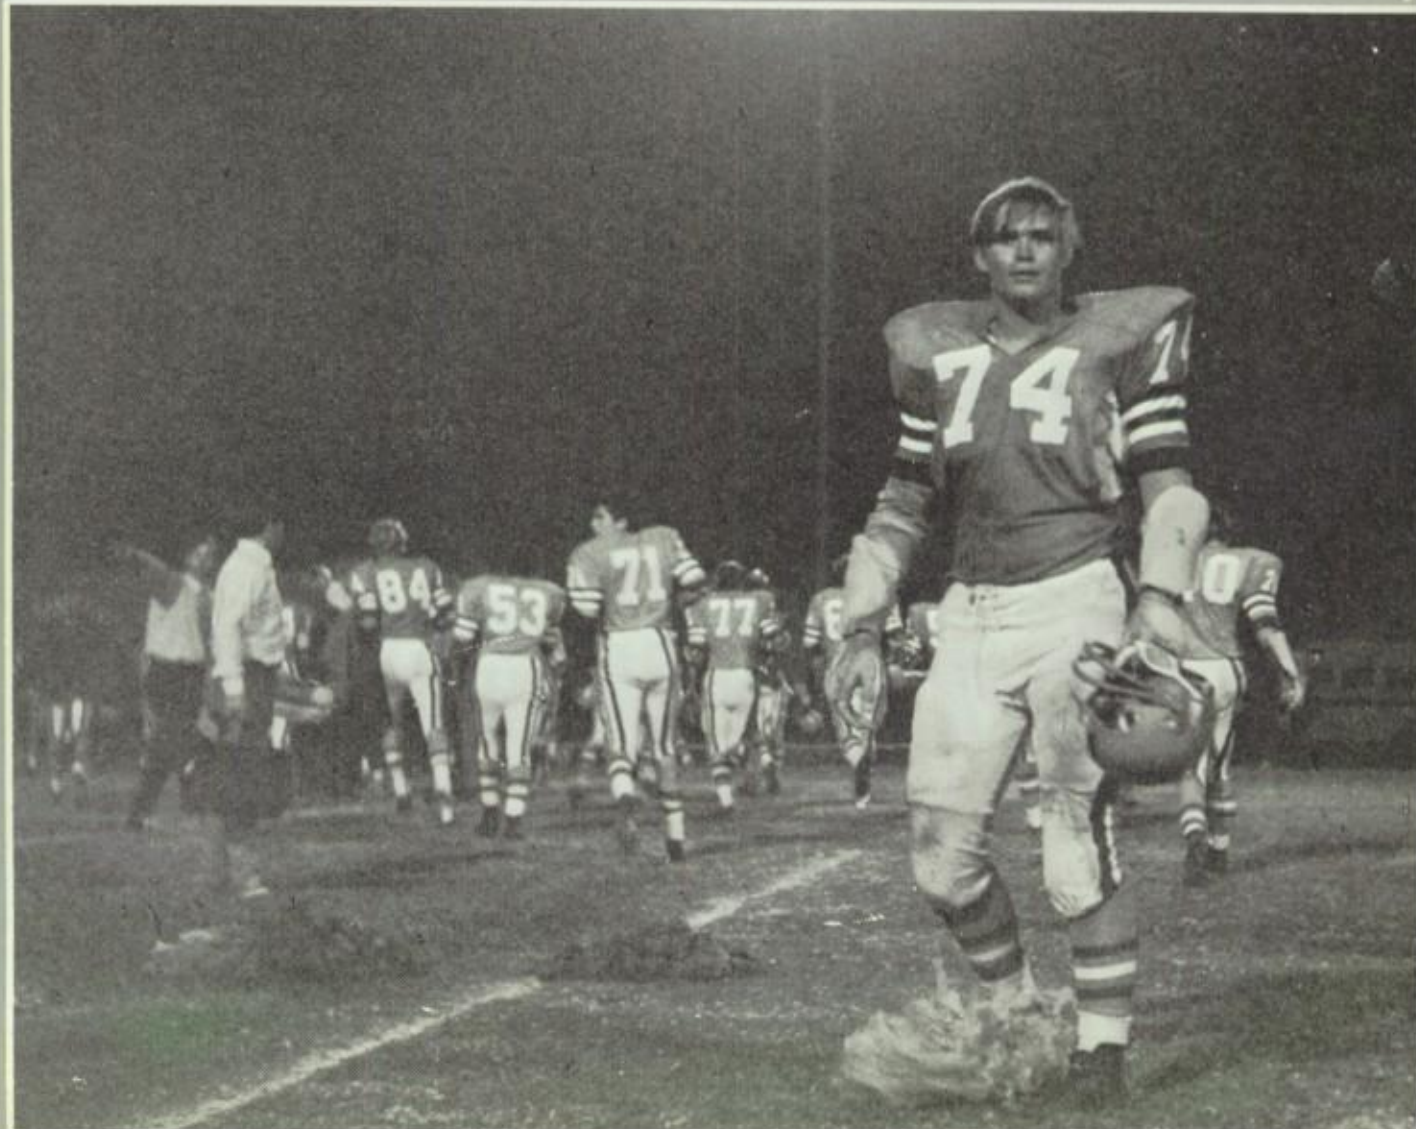

Hopes ran high on the 1970 Varsity football team for the new season. The Chiefs had trained for many long, hard months prior to the first game. The first three victories proved the team's strength. It looked as though it was going to be a good season. The Clairemont - Madison game was the test. Claremont had defeated Madison for the past several years and rivalries were high as the night of the game approached. When both teams met on the field they were undefeated for the season to that date. The Warhawks

were really "up" for the game, while the Chiefs were confident of victory. The Warhawks, however, emerged victorious, but only after a tough, hard fought battle.

During the entire season, the Clairemont Varsity team was plagued by injuries involving seven key players; among whom were: Mike Agosto, quarterback and Randy Braxton, halfback. After the defeat to Madison, the Chiefs were able to pull through for two more victories; finally ending up with a winning season.

Front Row: Don Rodenberg mgr., Dave Kunold, Mike Tintor, George Chandler, Pat Owen, Joe Hernandez, Brad Cummings, Mike Young, Paul Roberts, Bruce Myatt, Charles Saffo, Richard Leake, Robert Cassidy, and Glenn Herridge mgr. **Middle Row:** Bert Hewitt mgr., Jim Lyons, Bud Roantree, Larry Eiler, Mike Rector, Robert Pierce, Robert Dougherty, Dale Macy, Claude Millard,

"Undefeated" and "C.I.F. champions" were the titles that greeted the Clairemont Cross Country team at the end of the season this year. For the second consecutive year, Clairemont runners grabbed the Western League Title with a 12-0 league record, and a 14-0 over-all record! Non-league meets were with Helix and Vista. Aaron York, coach for this year's team, estimated that to train for the season, during the summer the team members ran over one thousand miles. This year's Cross Country team was truly great.

Richard Richardson and Steve Dornan, the team's captains, placed first and fourth, respectively, in the high bar event. Richard Richardson was chosen the most valuable player of the year. Also placing in CIF were: Glenn Tollison, tumbling and free exercise; Steve Dor-

nan, vaulting and parallel bars; and Richard Harter, rope climbing in 5.2 seconds. "Gymnastics is a sport of power, grace and courage. It is not a quick sport to learn. It takes years to develop a good gymnast."

This Year's Grapplers Are Great,
Next Year Promises More

This year's season culminated in placing six wrestlers in the C.I.F. semi-finals, compared with only one last year. The six were Frank Beauvais, Tim Grace, Matt McMahon, Mike Grim, Larry Good, and Dave Newman. The overall season record was eight wins and four defeats, which is a great improvement over last year's two wins, nine losses and one tie. The team tied for third in the league, but came close

to second, losing one match by one point and another by three. Next year's season promises to be even better, with the loss of only four regular starting seniors. An additional advantage in the Spring A.A.U. Wrestling Tournaments, which give the wrestlers a chance for experience and medals. Larry Good was most valuable and Dave Newman most improved.

Clairemont's Varsity Basketball

Clairemont's Basketball team made the quarterfinals of the C.I.F. competition. They were beaten, however, by the eventual champions. The team was ranked tenth in the city by the Evening Tribune out of 42 in the county. What this team lacked in ability they made up for with hustle. The season record was 18 wins and 9 losses. Team captains this year were Jim Dice and Dennis Wagner. Jim Dice was an excellent scorer and did a fine job on defense. Marty Mayer, junior center, was leading scorer and rebounder for the team. Most Valuable Player was Jim Dice, Most Inspirational was Mike Zmolek, Most Improved was Jim Lyons, and Most Hustle was Dennis Wagner. Clairemont's 1971 Track Team Strives to Maintain

Hopes were high as the Clairemont track team entered the 1971 season. Last year, all three league division championships were captured by the team. This year they aimed to maintain that status. To date, the team was the most favored team for the county title. The strong men on the team included: George Chandler, best sprinter, second best long jumper in the county; Bill Haynie, best hurdle time in the county; Kirk Shearer, long jump and hurdles; Randy McFarland and Gene Perry with the 440; Dale Fleet, in-door two-mile winner; Mark Novack never lost the 880; Dave Harper, CIF mile champion had a good chance for the county and state title; Claude Millard and Daryl Stephina for the shot put; and Dave Wood in pole vault. The prospect was exciting.

Varsity Baseball Continues the Tradition of Winning

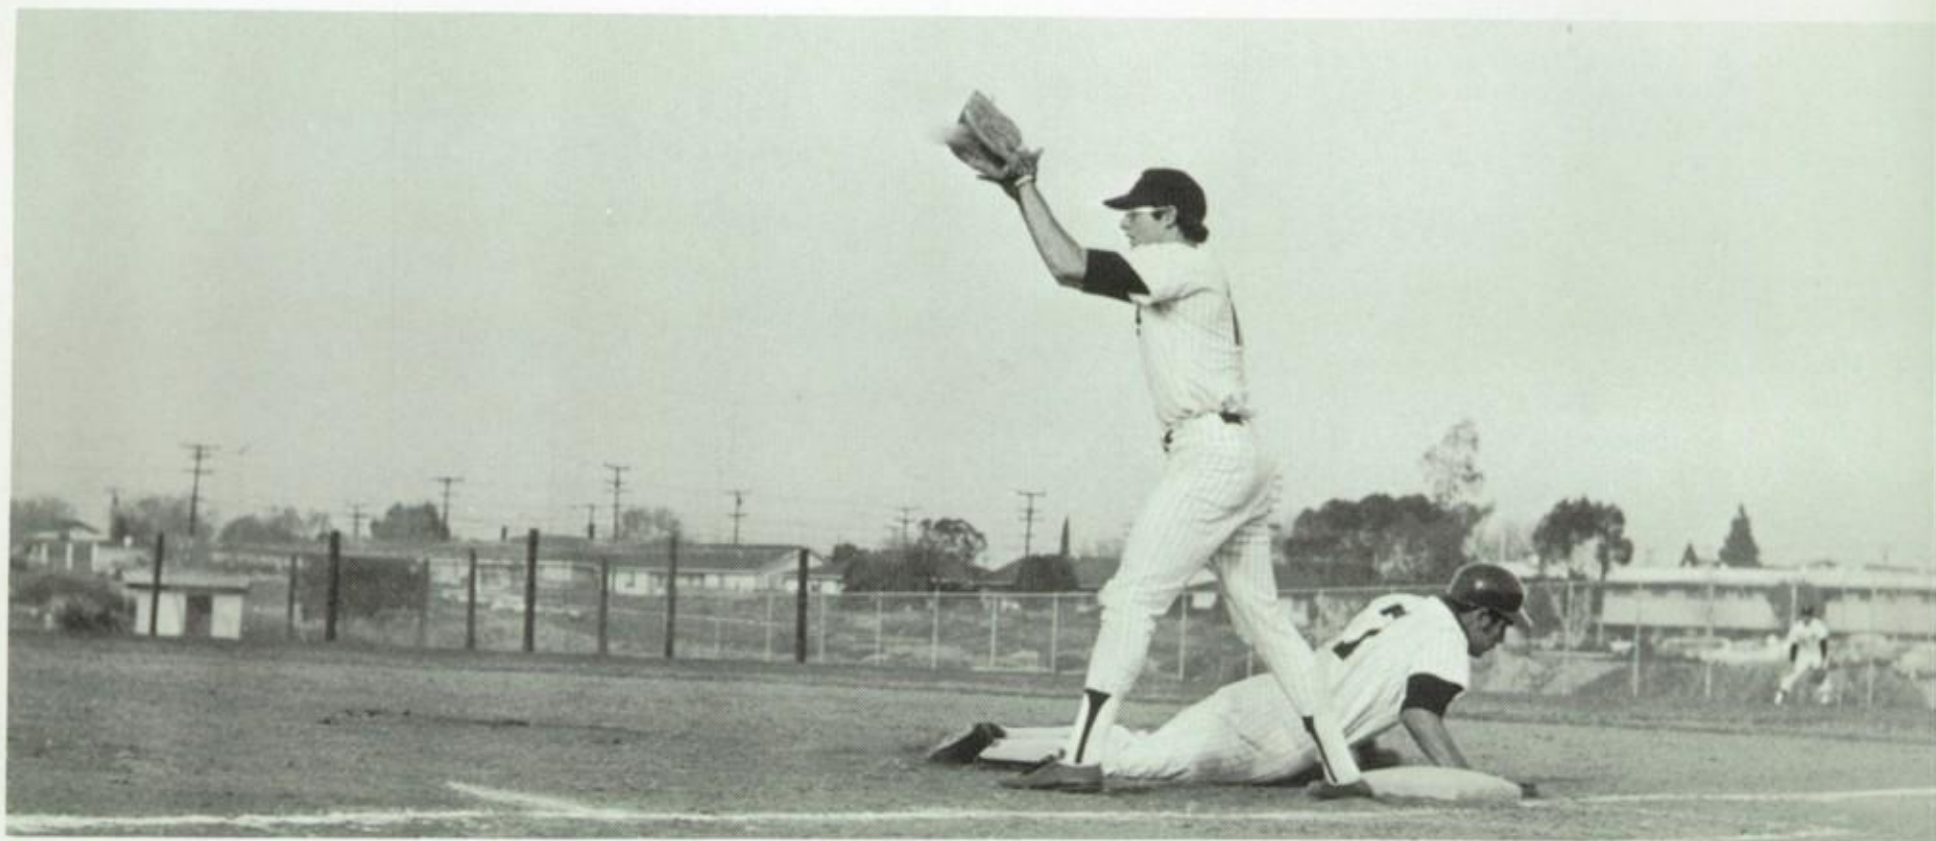

Clairemont High School was fortunate to have a very good baseball team. With such outstanding players as Jim Lyons, Eddie Molina, Mike Agosto, Marty Peterson, Mike Young, Randy Braxton, Steve McMorrana, Brad Cummings, Dennis Gase, Craig Skoglan, Mike Rector and Bill Goddard, Clairemont could not help but finish strong.

With such tough competition as Point Loma, Mission Bay and La Jolla it was a tough battle. It takes many years of playing together to produce a strong team which is almost impossible in high school. Excellent coaching and hard working players with determination enabled Clairemont to pull through with another winning team.

Girls Run, Leap and Jump on the Track Team

Long hours of practicing during the athletic period and after school prepared the CHS Girls' Track Team for city wide meets. Vigorous workouts and tired muscles were experienced by all. Competition was stiff as it was against the eleven city schools. Members of the team were chosen by Mrs. Wells, who based her choices on the highest scores.

A Potpourri of Captured Candid Moments

Rogers' and Hammerstein's Smash Hit, South Pacific, Whirlwind of

South Pacific, the Pulitzer Prize winning musical hit the spring stage with a burst of color and music. Such familiar Rogers and Hammerstein melodies as "Some Enchanted Evening", "There's Nothing Like A Dame," "Younger Than Springtime," and "Bali Hai" were enjoyed by the audiences attending the three performances on March 25, 26, and 27 in the auditorium.

The play, set in the South Pacific during World War II, centers on the love story of a young navy nurse and a mature French planter. A second romance develops between a Marine lieutenant and a pretty Tonkinese girl. Racial prejudice provides the underlying theme, disturbing the lives of these four people. Comic highlights are frequent with the antics of the seabees headed by wheeler-dealer Luther Billis and a crafty native named Bloody Mary.

South Pacific was the combined efforts of the drama, choral and instrumental music departments. It was the first musical at Clairemont in four years.

Above Right: Bloody Mary, played by Cathy Dugdale encourages the romance between her daughter Liat, Cindy Reeves, and Lt. Joe Cable, Mickey Gilligan, with the song "Happy Talk".

Right: Emile and Nellie, portrayed by John Davis and Sue Woodruff, enjoy champagne and a romantic moment after a party given at Emile's plantation.

Lunch hour soothes the savage senior.

In Memory of Cliff Valade

Life is a narrow vale between the cold
and barren peaks of two eternities.

We strive in vain to look beyond
the heights.

We cry aloud - and the only answer
is the echo of our wailing cry.

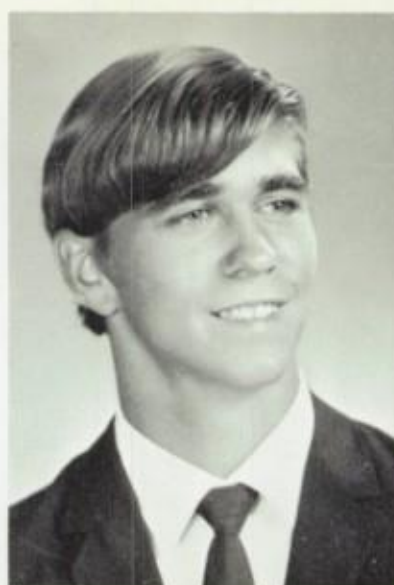

From the voiceless lips of the unreplying
lost there comes no word.

But in the night of death, Hope sees
a star, and listening Love can hear
the rustling of a wing.

He who sleeps here, when dying, acquires
health forever, and life.

Let us believe, in spite of doubts and
fears, that these dear words are true of
all the countless dead.

Years come and go with the usual fare of high school activities; classes, games, dances. Each fall brings new friends, each spring graduation and partings. September through June, the story repeats itself—day after week after month after year. It begins to blur into gray sameness, but with autumn, and a new term, come

fresh, young faces to give the tale a different twist. People make years unique. The public and private performances of the multitude of individuals create a different characterization of the year for all involved. We give you the year as it was, leaving memory for the conclusion.
